

Children's Programs

PLAYSCHOOL CLUB

(Parented) | Ages 2 to 3

Parents and children engage in organized, playful activities that strengthen the parent/child relationship. The program is designed to teach children at an early stage of rapid development. This program provides the children with learning opportunities through play, social interaction, story time, hands-on activities, songs, crafts and games. Children will develop a desire to learn while enhancing the parent/child attachment. Class size is no greater than 10 participants per class.

Age: 2 years – 3 years old

PLAYSCHOOL CLUB THEMES

Session 1 (S1) – Crawly Creatures

Discover the world through the eyes of a bug. In this session, children will learn about different types of insects; how they live and how they eat. Learn about bug behaviour up close through the observation of an ant or butterfly farm. Each class, children will read a related story and make a craft that is related to the theme.

Session 2 (S2) – All About Me

Children will explore their five senses by learning about the body parts that help them see, hear, taste, touch and smell. In each class, different activities will be tied to the theme, including story time and a craft.

Session 3 (S3) – ABC, 123

In this session, children will learn about letters and numbers through games and activities related to the theme. The lessons will end with children learning how to spell their own name. In each class children will participate in story time and a craft.

KINDERSCHOOL CLUB

(Un-Parented) | Ages 3 to 4

This enriched preschool program offers stimulating and challenging activities in a fun and playful environment. This program will foster independence, decision making and the ability to learn and relate to others through the exploration of the classroom environment. Small classes are valuable for stimulation and growth. Children will build better self confidence, stronger social relationships and master skills needed for Kindergarten.
